Re: Commendation-Paul Hill

The purpose of this letter is to formally commend Paul Hill for the great service he provided to The Colonial Band Program. During the 2013-2014 school year, had the distinct pleasure of having Mr. Hill as a Private Instructor for my Band Program at Colonial Middle. Mr. Hill has been more than the ideal instructor. In order to achieve the highest respect from my students and I, Mr. Hill has demonstrated outstanding leadership and maintained a clear sense of purpose.

What particularly impressed me about the level of service Mr. Hill provided is the personal interest he has with the students he teaches. Mr. Hill goes beyond assigned duty as an instructor. He has given free lessons, he chaperoned on trips, and he builds a positive connection with parents.

Respectfully submitted,

Zerius Z. Carter
