To Whom It May Concern:

I am writing today to offer my recommendation on behalf of Paul Hill, who is making application for the position of Assistant Principal. During the time that Paul has worked under my supervision, I find him to not only be an excellent teacher in his field, but that he is knowledgeable of the total school program.

Mr. Hill exhibits excellent classroom management and organizational skills. He brings to his classroom a learning experience that is one of value and relevance for his students.

His evaluations reflect consistent satisfactory completion of all duties and responsibilities. In addition, he has proved himself to be a team player. Moreover, he does not hesitate to become involved in school life beyond the responsibilities of his position. He and I have engaged in many philosophical and pragmatic conversations about leadership and I can attest that he demonstrates a passion for improving student achievement.

Again, I am most happy to offer my recommendation for Paul Hill. If I can be of further assistance in this matter, please do not hesitate to ask.

Sincerely,

Peter F. Zervakos  
Principal
